## Roma Imperious

Realm	Level	Cost	Range	Name	Description
Sanguis Magus	1	4 pts	Touch	Glow/Darkness	Glow/Darkness is one of the great utility spells of Sanguis Magus. This spell is usually cast on inanimate objects and will last until the caster dispells it or dies. However, if it is cast on a living creature then the caster must concentrate on it to maintain it. If the caster is jostled or hit or moves more than 1/2 movement the spell will cease. Normally, the spell will affect a 10' sphere +1' per level of the caster around the source. Note that the caster can see through his own darkness, although no one else can.
Sanguis Magus	1	1 pt/5 rds	Personal	Invisibility I	Although the caster can only move at 1/4 normal movement, this spell is powerful in that it is more effective against the more intelligent observer. This spell will render the caster unnoticed to the point that people will avoid walking into the caster and he/she will appear as something that belongs and thus beneath notice. However, creatures of animal intelligence or of a 6 or lower INT will notice the caster; i.e. guard dogs will bark at you. Also, creatures with infra vision or exceptional smell will have a chance of detection equal to the rating of the infra-vision and/or smell. The caster will also make noise unless the caster can move silently. If this power is employed in combat it will give the caster a +4 to Armor Class until the caster is hit, hits an opponent, or is jarred.
Sanguis Magus	1	2 pts/30'	Personal	Jump	This spell enhances the character's ability to jump and land safely. The maximum distance a character will be able to jump is equal to his DEX times ten in feet. However, this is limited by only being able to jump 1/2 the distance straight up or backwards. The character is able to jump with up to 1/2 of what he can lift according to his strength.

## Description

Oranius joined the Legion early on but then deserted. No one knows his secret and he does his best to hide it but he is not very smart. This usually leads to a need to liquidate those that discover his past. Before his desertion he was known as Lucius Julius, a proud name of a noble family but he found the weight of that name to be too much. He hated commanding anyone but himself. He loved the single combat and training and took to it well but his day-to-day duties numbed his soul. In time, he could no longer stand it.

Today, Oranis, as he is now known, offers his services as a master at arms, body guard and has even been seen in the arena as a free agent. He looks for a way to make the next pay day and has grown to desire little more than his next victory.
